RE: Minority Business Enterprise Center within the City of Miami

Members of the Secretariat:

I am writing to express my commitment and support to establish a Minority Business Enterprise Center within the City of Miami. This center is needed by Miamians and those wishing to establish businesses within City limits to ensure that these innovators are supported to create sustainable business enterprises. Given that Miami's population is over 90% minority, the existing population needing to be served is significant. City administrators and I believe that this grant will be an important component in improving the overall health of the City's economy, and we are prepared to contribute as cost-sharing partners in establishing this center in the heart of Miami. In particular, the program will have the following goals under ACCESS Miami:

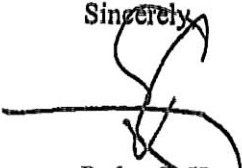

1. Total program – Average of 450 businesses served, and between 60% and 65% are within the City of Miami in a 12-month period. This would be over 270 businesses within the city.
2. Direct technical assistance and one-on-one sessions - 210 businesses served annually. 70% are in Miami-Dade County with roughly 60% - 65% within the City of Miami. Some 115 to 120 businesses will receive services within a 12 month period.
3. Number of jobs created - The program's goals are 37 jobs the first 9-month period and 66 for the 12-months of 2009.
4. Number of contracts obtained – The goal for contracts are in value (not number of contracts). The goals are \$12,781,000 for the 9-month period in 2008 and \$17,041,000 for 2009.
5. Number of loans created/obtained – The center's financial goal for loans/bonding, etc. are in value (not number of approvals), which is \$8,519,500 for 2008 and \$11,359,500 for 2009.
6. Increase in Sales – The center has a goal for Increase in Sales - \$1,119,000 in 2008 and \$1,492,000 in 2009. There is consensus that these figures can be achieved in the City of Miami alone.
7. Seminars/sessions administered – Even though this is not required under the MBEC program, our partnership will institute quarterly seminars.

The City's total cost-sharing value as a partner will be approximately \$79,340 per year which will include; office space, furniture, parking, telephone/Internet access, marketing development, production and placement of program advertising, computer access via our Elevate Miami computer labs and e-campaign support.

The City of Miami hopes that you look favorably on this application and the value it will bring to entrepreneurs and the City as a whole.

New Shipper Review Bona Fide Analysis

Consistent with the Department's practice, we investigated the bona fide nature of the sales made by Ahmadi for this new shipper review. The Department reviewed import data provided by U.S. Customs and Border Protection (CBP), and compared the quantity and value of the only shipment by Ahmadi to the United States to imports of subject merchandise by other companies. We also reviewed information on the record with regard to the commercial legitimacy of Ahmadi, Kerman, and the unaffiliated sale in the United States. We find that there is nothing on the record to question the bona fides of Ahmadi's sale. Therefore, for purposes of these preliminary results of review, we are treating Ahmadi's sale of subject merchandise to the United States as bona fide for this new shipper review. See Memo to the file from Eric B. Greynolds, Program Manager, Office 3, Operations, entitled, "Preliminary Bona Fide Sales Analysis."

Preliminary Results of Review

In accordance with 19 CFR 351.221(b)(4)(i), we have calculated an individual subsidy rate for Ahmadi, the only producer/exporter subject to this proceeding, for the POR, *i.e.*, calendar year 2006. We preliminarily determine that the total estimated net countervailable subsidy rate is 0.00 percent *ad valorem*.

We intend to issue the following cash deposit requirements, effective upon publication of the notice of final results of review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication: (1) for merchandise produced and exported by Ahmadi, the cash deposit rate will be 0.00 percent, (2) the rate calculated for merchandise exported by Ahmadi but not produced by Ahmadi, the cash deposit rate will be the all-others rate established in the original CVD

investigation (see 51 FR 35679 (October 7, 1986)); (3) if the exporter is not a firm covered in this review, a prior review, or the original CVD investigation, but the producer is, the cash deposit rate will be the rate established for the most recent period for the producer of the merchandise; and (4) if neither the exporter nor producer is a firm covered in this review or the original investigation, the cash deposit rate for all other producers or exporters of the subject merchandise will continue to be 90.52 percent *ad valorem*. This rate is the all-others rate from the final determination in the original investigation.

If the final results of this review remain the same as these preliminary results, the Department intends to issue instructions to CBP 15 days after the date of publication of the final results of this review to liquidate without regard to countervailing duties all shipments of subject merchandise produced and exported by Ahmadi, entered, or withdrawn from warehouse, for consumption during the POR. Should the final results of this review remain the same as these preliminary results, the Department also will instruct CBP not to collect cash deposits of estimated countervailing duties on all shipments of the subject merchandise produced and exported by Ahmadi, entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this new shipper review.

Public Comment

Pursuant to 19 CFR 351.224(b), the Department will disclose to parties to the proceeding any calculations performed in connection with these preliminary results within five days after the date of the public announcement of this notice. Pursuant to 19 CFR 351.309, interested parties may submit written comments in response to these preliminary results. Unless otherwise indicated by the Department, case briefs must be submitted within 30 days after the publication of these preliminary results. Rebuttal briefs, which are limited to arguments raised in case briefs, must be submitted no later than five days after the time limit for filing case briefs, unless otherwise specified by the Department. Parties who submit argument in this proceeding are requested to submit with the argument: (1) a statement of the issue, and (2) a brief summary of the argument. Parties submitting case and/or rebuttal briefs are requested to provide the Department copies of the public version on disk. Case and rebuttal briefs must be served

on interested parties in accordance with 19 CFR 351.303(f). Also, pursuant to 19 CFR 351.310, within 30 days of the date of publication of this notice, interested parties may request a public hearing on arguments to be raised in the case and rebuttal briefs. Unless the Secretary specifies otherwise, the hearing, if requested, will be held two days after the date for submission of rebuttal briefs.

Representatives of parties to the proceeding may request disclosure of proprietary information under administrative protective order no later than 10 days after the representative's client or employer becomes a party to the proceeding, but in no event later than the date the case briefs, under 19 CFR 351.309(c)(ii), are due. The Department will publish the final results of this administrative review, including the results of its analysis of issues raised in any case or rebuttal brief or at a hearing.

This new shipper review and notice are issued and published in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act, and 19 CFR 351.214(h) and 351.221(b)(4).

Dated: November 20, 2007.

David M. Spooner,
Assistant Secretary for Import
Administration.

Funding Availability: MBDA anticipates that a total of approximately \$574,679 will be available in FY 2008 and that a total of approximately \$766,238 will be available in FY 2009 to fund financial assistance awards for the three MBEC projects referenced in this competitive solicitation. The total award period for awards made under this competitive solicitation is anticipated to be twenty-one (21) months and all awards are expected to be made with a start date of April 1, 2008. The anticipated amount of the financial assistance award for each MBEC project (including the minimum 20% non-federal cost share) is as follows:

Project name	April 1, 2008 through December 31, 2008			January 1, 2009 through December 31, 2009		
	Total cost (\$)	Federal share (\$)	Non-federal share (\$) (20% min.)	Total cost (\$)	Federal share (\$)	Non-federal share (\$) (20% min.)
Honolulu MBEC	\$222,863	\$178,238	\$44,625	\$297,150	\$237,650	\$59,500
Miami MBEC	307,941	246,441	61,500	410,588	328,588	82,000
Oklahoma City MBEC	187,500	150,000	37,500	250,000	200,000	50,000

Applicants must submit project plans and budgets for each of the two (2) funding periods covered by the award (April 1, 2008–December 31, 2008 and January 1, 2009–December 31, 2009, respectively). Projects will initially be funded for the first funding period and will not have to compete for funding for the second funding period. However, operators that fail to achieve a "satisfactory" or better performance rating for the first funding period may be denied funding for the second funding period. Recommendations for funding for the second funding period are generally evaluated by MBDA based on a "Satisfactory" or better mid-year funding performance rating (i.e., April 1, 2007–September 30, 2007) and/or a combination of a mid-year and year-to-date (i.e., April 1–December 31, 2007) "Satisfactory" or better performance rating. In making such funding recommendations, MBDA and the Department of Commerce will consider the facts and circumstances of each case, such as but not limited to market conditions, most recent performance of the operator and other mitigating circumstances.

Applicants are hereby given notice that FY 2008 funds have not yet been appropriated for the MBEC program. Accordingly, MBDA issues this notice subject to the appropriations made available under the current continuing resolution, H.J. Res. 52, "Making continuing appropriations for the fiscal year 2008, and for other purposes," Public Law 110-92, as amended by H.R. 3222, Public Law 110-116. In no event will MBDA or the Department of Commerce be responsible for proposal preparation costs if this program fails to receive funding or is cancelled because of other MBDA or Department of Commerce priorities.

Authority: 15 U.S.C. Section 1512 and Executive Order 11625.

Catalog of Federal Domestic Assistance (CFDA): 11.800, Minority Business Enterprise Centers.

Eligibility: For-profit entities (including but not limited to sole proprietorships, partnerships, and corporations), non-profit organizations, state and local government entities, American Indian Tribes, and educational institutions are eligible to operate an MBEC.

Program Description: MBDA is soliciting competitive applications from organizations to operate a Minority Business Enterprise Centers (MBEC) (formerly known as Minority Business Development Centers). The MBEC will operate through the use of trained professional business consultants who will assist eligible minority entrepreneurs through direct client engagements. Entrepreneurs eligible for assistance under the MBEC Program are: African Americans, Puerto Ricans, Spanish-speaking Americans, Aleuts, Asian Pacific Americans, Native Americans (including Alaska Natives, Alaska Native Corporations and tribal entities), Eskimos, Asian Indians and Hasidic Jews. No service may be denied to any member of the eligible groups listed above.

The MBEC Program generally requires project staff to provide standardized business assistance services directly to "eligible minority owned firms," with an emphasis on those firms with \$500,000 or more in annual revenues and/or those eligible firms with "rapid growth potential" ("Strategic Growth Initiative" or "SGI" firms); to develop and maintain a network of strategic

partnerships; to provide collaborative consulting services with MBDA and other MBDA funded programs and strategic partners; and to provide referral services (as necessary) for client transactions. MBEC operators will assist eligible minority-owned firms in accessing federal and non-federal contracting and financing opportunities that result in demonstrable client outcomes.

The MBEC Program incorporates an entrepreneurial approach to building market stability and improving the quality of client services. This entrepreneurial strategy expands the reach of the MBECs by requiring project operators to develop and build upon strategic alliances with public and private sector partners as a means of serving minority-owned firms within each MBEC's geographical service area. The MBEC Program is also designed to effectively leverage MBDA resources, including but not limited to: MBDA Office of Business Development and MBDA National Enterprise Centers; MBDA's Business Internet Portal; and MBDA's nationwide network of MBECs, Native American Business Enterprise Centers (NABECs) and Minority Business Opportunity Centers (MBOCs). MBEC operators are also required to attend a variety of MBDA training programs designed to increase operational efficiencies and the provision of value-added client services.

MBEC operators are generally required to provide the following four client services: (1) Client Assessment—this is a standardized service activity that includes identifying the client's immediate and long-term needs and establishes a projected growth track; (2) Strategic Business Consulting—this involves providing intensive business consulting services that can be delivered as personalized consulting or group consulting; (3) Access to Capital—this assistance is designed to secure the financial capital necessary for client growth, and (4) Access to Markets—this involves assisting clients to identify and access opportunities for increased sales and revenues.

Please refer to the FFO pertaining to this competitive solicitation for a full and complete description of the application and programmatic requirements under the MBEC Program.

Match Requirements: The MBEC Program requires a minimum non-federal cost share of 20%, which must be reflected in the proposed project budget. Non-federal cost share is the portion of the project cost not borne by the Federal Government. Applicants must satisfy the non-federal cost sharing requirements in one or more of the

following four means or any combination thereof: (1) Client fees; (2) applicant cash contributions; (3) applicant in-kind (i.e., non-cash) contributions; or (4) third-party in-kind contributions. The MBEC is required to charge client fees for services rendered and such fees must be used by the operator towards meeting the non-federal cost share requirements under the award. Applicants will be awarded up to five bonus points to the extent that the proposed project budget includes a non-federal cost share contribution, measured as a percentage of the overall project budget, exceeding 20% (see Evaluation Criterion below).

Evaluation Criterion: Proposals will be evaluated and applicants will be selected based on the below evaluation criterion. The maximum total number of points that an application may receive is 105, including the bonus points for exceeding the minimum required non-federal cost sharing, except when oral presentations are made by applicants. If oral presentations are made (see below: Oral Presentation—Optional), the maximum total of points that can be earned is 115. The number of points assigned to each evaluation criterion will be determined on a competitive basis by the MBDA review panel based on the quality of the application with respect to each evaluation criterion.

In particular, emphasis may be placed on the manner in which the applicant matches MBEC performance goals with client service hours and how it accounts for existing market conditions in its strategy to achieve such goals (10 points);

(b) *Start-up Phase*—How the applicant will commence MBEC operations within the initial 30-day period. The MBEC shall have thirty (30) days to become fully operational after an award is made (3 points); and

Non-federal cost sharing of at least 20% is required under the MBEC Program. Non-federal cost sharing is the portion of the total project cost not borne by the Federal Government and may be met by the applicant in any one or more of the following four means (or a combination thereof): (1) Client fees; (2) cash contributions; (3) non-cash applicant contributions; or, (4) third party in-kind contributions.

5. Oral Presentation—Optional (10 points)

Oral presentations are optional and held *only* when requested by MBDA. Review and Selection Process:

1. Initial Screening

Prior to the formal paneling process, each application will receive an initial screening to ensure that all required forms, signatures and documentation are present. An application will be considered non-responsive and will not be evaluated by the review panel if it is received after the closing date for receipt of applications, the applicant fails to submit an original, signed Form SF-424 by the application closing date (paper applications only), or the application does not provide for the operation of a MBEC. Other application deficiencies may be accounted for through point deductions during panel review.

2. Panel Review

Each application will receive an independent, objective review by a panel qualified to evaluate the applications submitted. The review panel will consist of at least 3 persons, all of whom will be full-time federal employees and at least one of whom will be an MBDA employee, who will review the applications for a specified project based on the above evaluation criterion. Each reviewer shall evaluate and provide a score for each proposal. Each project review panel (through the panel Chairperson) shall provide the MBDA National Director (Recommending Official) with a ranking of the applications based on the average of the reviewers' scores and shall also provide a recommendation regarding funding of the highest scoring application.

3. Oral Presentation—Upon MBDA Request

MBDA may invite the two (2) top-ranked applicants for each project competition to develop and provide an oral presentation. If an oral presentation is requested, the affected applicants will receive a formal communication (via standard mail, e-mail or fax) from MBDA indicating the time and date for the presentation. In-person presentations are not mandatory but are encouraged; telephonic presentations are acceptable. Applicants will be asked to submit a PowerPoint presentation (or equivalent) to MBDA that addresses the oral presentation criteria set forth above. The presentation must be submitted at least 24 hours before the scheduled date and time of the presentation. The presentation will be made to the MBDA National Director (or his/her designee) and up to three senior MBDA staff who did not serve on the original review panel. The oral panel members may ask follow-up questions after the presentation. MBDA will provide the teleconference dial-in number and pass code. Each applicant will present to MBDA staff only; competitors are not permitted to listen (and/or watch) other presentations.

All costs pertaining to this presentation shall be borne by the applicant. MBEC award funds may not be used as a reimbursement for this presentation. MBDA will not accept any requests or petitions for reimbursement.

The oral panel members shall score each presentation in accordance with the oral presentation criterion provided above. An average score shall be compiled and added to the score of the original panel review.

4. Final Recommendation

The MBDA National Director makes the final recommendation to the Grants Officer regarding the funding of applications under this competitive solicitation. MBDA expects to recommend for funding the highest ranking application for each project, as evaluated and recommended by the review panel and taking into account oral presentations (as applicable). However, the MBDA National Director may not make any selection, or he may select an application out of rank order for the following reasons:

(a) A determination that an application better addresses one or more of the funding priorities for this competition. The National Director (or his/her designee) reserves the right to conduct one or more site visits (subject to the availability of funding), in order to make a better assessment of an applicant's capability to achieve the funding priorities; or

(b) The availability of MBDA funding. Prior to making a final recommendation to the Grants Officer, MBDA may request that the apparent winner of the competition provide written clarifications (as necessary) regarding its application.

Intergovernmental Review: Applications under this program are not subject to Executive Order 12372, "Intergovernmental Review of Federal Programs."

Limitation of Liability: In no event will MBDA or the Department of Commerce be responsible for proposal preparation costs if this program fails to receive funding or is cancelled because of other MBDA or Department of Commerce priorities. All funding periods are subject to the availability of funds to support the continuation of the project and the Department of Commerce and MBDA priorities. Publication of this notice does not obligate the Department of Commerce or MBDA to award any specific cooperative agreement or to obligate all or any part of available funds.

Universal Identifier: Applicants should be aware that they will be required to provide a Dun and Bradstreet Data Universal Numbering system (DUNS) number during the application process. See the June 27, 2003 Federal Register notice (68 FR 38402) for additional information.
